The **Atlanta Botanical Garden** was created in 1980 and includes 30 acres of woodland, formal outdoor gardens, and conservatories. This guided tour takes you to Atlanta's urban oasis in the heart of midtown's Piedmont park, where you'll step into a world of magic and serenity, including the Fuqua Orchid Center and the **Kendeda Canopy Walk** through the woods.

An Impressive Woman has become a signature exhibit at the Garden. The living sculpture, installed in 2013, is 20 feet tall, weighs nearly 29 tons, and holds more than 18,000 individual plants which are trimmed weekly to maintain the flowing lines.

Tour price of \$74 per person includes deluxe motorcoach transportation, admission to Atlanta Botanical Gardens, and tour guide services.
