

Cobb Galleria Convention Centre Parking

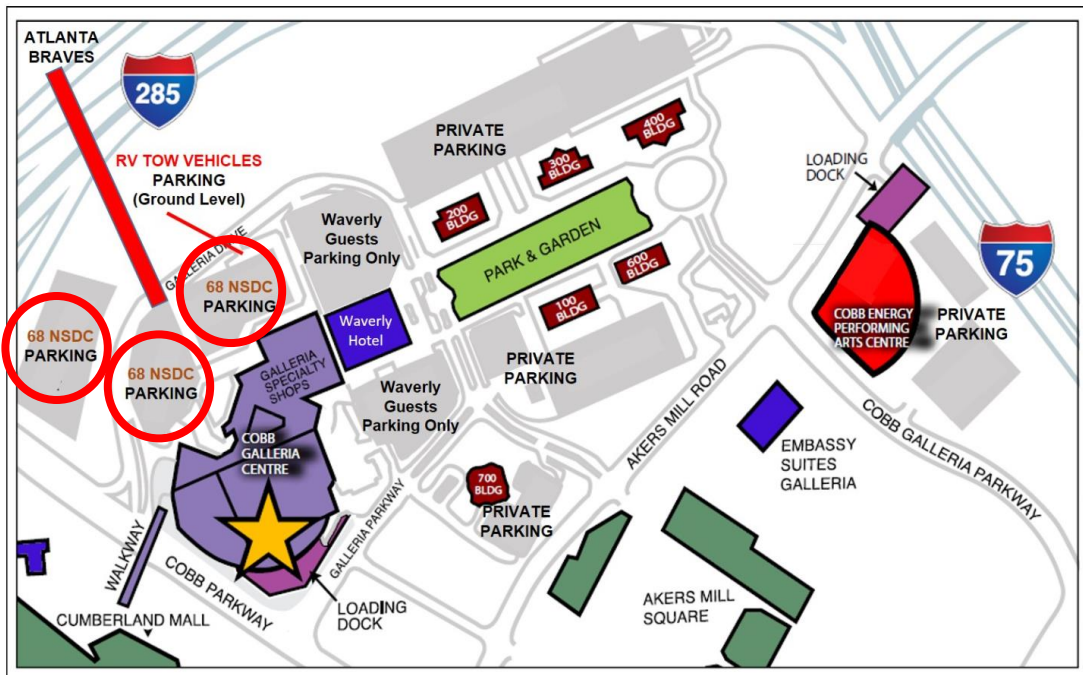

The 68th National Square Dance Convention® is pleased to provide **FREE PARKING PASSES** for everyone who is staying at a Convention Hotel or at the Jim Miller RV Park. Parking Passes will be included in Registration check-in packets. Please place the Parking Pass in vehicle when received.

If you are **NOT** staying in a Convention Hotel or the RV Park and want to park at the Convention Centre, you **MUST** purchase a Parking Pass. A Parking Pass costs \$25, a one-time fee, with in & out privileges good throughout the Convention. They are available for purchase on the Long-Registration Form or at Convention Registration windows.

Convention Parking Areas

There are three (3) large Parking decks at the Cobb Galleria Centre. They are shown on the map below, circled in **RED**.

Parking Passes **MUST** be placed on rearview mirror when parked in the parking areas. Vehicles not displaying Parking Passes are subject to citation by Galleria Centre Security and/or towing to off-site areas. Vehicle owners are responsible for all related charges.
